Mystic River Gewürztraminer

Okanagan Valley

***“Shaped By the River and
Balanced By the Winemakers”***

Made from 100% estate grapes, the Mystic River Vineyard got its name from the mist that came off of the South Okanagan River in the early morning as the founder of Wild Goose walked the vineyard checking on his vines. The mist lends itself to an awareness of your surroundings while this wine connects us to our senses and sense of place. It shows intense varietal character of rose and grapefruit, with undertones of lychee and flavours of spice.
