***“Stomping by Foot Can
Make a Wine Taste Even Better”***
Our Amazing Port Style Wine is Back!

To thank the wonderful staff at The Penticton Andy Moog Hospice House for the wonderful care they give, the staff came during harvest and in the old style, foot stomped the Merlot and Petit Verdot grapes that went into this port style wine. (Don't worry...all feet were sanitized!) Named for the graceful Brant goose, this sea bird stops regularly in Qualicum Beach on Vancouver Island, on its journey between Alaska and Mexico.
