Grape Varieties 20% Pinot Noir and 80% Merlot

Made from red grapes allowed brief skin contact to extract color and subsequently vinified in the same manner as a white wine, creating a fresh, fruit-forward wine. With its apricot hue, strawberry-rhubarb aroma, ripe red berry flavor and spicy finish, this blend of Merlot and Pinot Noir makes for a lively and refreshing wine. An ideal companion for seafood, pork and fowl or delicious on its own.
